Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: On 05/07/2008, the examiner contacted Mr. John Castellano (Reg # 35,094) to inquire about the status of the instant case. The examiner stated that because a notice of an improper request for an RCE was sent from the Office in response to the RCE filed by the applicant, then as a result, the mailing date of the last office action is in effect. Therefore, the examiner stated that the instant case was abandoned. Mr. Castellano stated that because an IDS was submitted along with the RCE, then the RCE was proper. Moreover, Mr. Castellano intends to submit a petition to revive the instant case.
